

ARAB UNITY SCHOOL

CURRICULUM OVERVIEW

YEAR

2019 – 2020

A guide for Parents and Students

Islamic Education curriculum focuses on personality and character development. It helps students to learn all the important principles and practices of Islam, study of the Qur'an, the Hadith (saying of the Prophet). As it is very important for the Muslim students to find the correct resources to enlighten them about Islam.

The Ministry of Education in the United Arab Emirates sets themes and standards of the Islamic Education Curriculum as follows.

1. Divine Revelation.

Students demonstrate excellent memorization of the Holy Quran with application of Tajweed rules. Students also demonstrate understanding and application of the Quran and Hadith.

2. Islamic Beliefs.

Students demonstrate awareness and belief of the foundations of the belief in Allah. His attributes, His angles, His Books, and His Messengers. Students also demonstrate awareness of the value of the mind and the importance of thinking to reach the truth.

3. Islamic Rulings and Aims.

Students demonstrate knowledge of jurisprudence of worship and perform the rituals of worship correctly. Students also demonstrate knowledge of the jurisprudence of transactions and understand its impact on the community.

4. Islamic Values and Manners.

Students demonstrate understanding and implementation of the individual and social Islamic values and manners.

5. Biographies.

Students draw out the most important principles and lesson learnt from the biography of the Prophet Muhammad (Peace and blessings of Allah be upon him). Students also show commitment to following the example of the prophetic personality and to some prominent Muslim figures who have had a positive impact on Islam and the Muslim society.

6. Identity and Contemporary issues.

Students demonstrate pride in their own personalities, identities and homeland(s). Students show appreciation of their own heritage and culture. Students show their commitment to customs and traditions. Students show their understanding of contemporary issues and challenges.
