

Circular No. AUS/79/19-20

20th January, 2020

Dear Parents,

DSIB School Inspection

It is a pleasure to announce that AUS has been notified that our annual school inspection will be conducted next week, **from Monday 27th January till Thursday 30th January**. We see it as an opportunity to showcase the results of a lot of hard work that has happened across the school since the previous inspection.

Please support us to observe the special request from the Dubai School Inspection Bureau (DSIB) for parents to complete an **online Parent Survey prior to the inspection**. Log onto the following link to complete the survey and make sure to **select Arab Unity School** before starting the survey: <https://www.khda.gov.ae/Parents/Survey/Index>

Any school trips or other activities will continue as planned and the school program will not be affected before or during the inspection. Our students' optimal learning will stay our focus!

Please be vigilant to ensure that your children arrive at school on time and to collect them on time in the afternoons.
