Circular No. AUS/99/19-20 10th February, 2020

Dear Parents,

DSIB School Inspection

AUS has had three groups of inspectors visiting the school over the past two weeks:

- The first inspection team, consisting of eight inspectors, has provided provisional feedback that may not be shared with shareholders officially until the quality assurance process in KHDA has been successfully completed.
- The second team of two inspectors are currently in the school on a data gaining mission regarding the school's provision for our Emirati students.
- The third group, consisting of two inspectors, has visited the school on Sunday, 09 February, and focused on compliance issues – including finance, staffing and facilities.

As soon as the official reports are available we hope to share this important feedback with all our shareholders at the earliest. Thanks again for everyone's support and understanding during this time.

Corona Virus

Schools have been advised by the Dubai Health Authority (DHA) about the actions to be taken by schools after the recent reports on the threat of the Corona virus.
Please refer to the information posted on our school website and school portal that was provided by the DHA for distribution by schools.
