

Greetings,

Hope all of you are preparing well for the upcoming exams.

A few pointers if any student or family member tests positive for COVID 19 during the upcoming additional assessment for School Assessed Grades (SAG) as per CAIE rules.

- If a Sixth Form student or any family member living in the same house tests positive, the PCR test report has to be e-mailed to the school immediately.
- Home isolation/quarantine for a period of 10 days is mandatory, starting from the day the student/family member is tested positive.
- If the student in quarantine is symptom free, then they can rejoin school physically on the 11th day after the date of testing/ quarantine.
- If the student develops any symptoms of COVID 19, in these 10 days, they have to submit the PCR report to the school.
- If the student is in isolation due to being tested positive, they need to produce a de-isolation clearance certificate before rejoining the school physically.

The PCR report has to be emailed to jayanthi@arabunityschool.ae with cc to srilata.nandakumar@auschool.ae, dhruti.babla@auschool.ae

Based on the report provided, the head of examination in consultation with the school doctor will revert back to the student on how he/she will take the examination.

For further enquiries, feel free to contact HOS and DHOS.

2. Reminding all of you of the examination rules

- ❖ All students who come to school **should** bring the self- declaration form.
- ❖ Proper School Uniform **with NO coloured warm tops except the Sixth Form cardigans**
- ❖ **Girls – White Head Scarf only**
- ❖ No bags are allowed in this venue.
- ❖ NO mobile phones / electronic gadgets allowed in the venue.
- ❖ You are **NOT allowed to go to a washroom** during a session.
- ❖ Latecomers will not be given additional time for the exam.
- ❖ Borrowing and exchange of stationery are not allowed.
- ❖ **Stay at your desk with your name from start to end of all sessions.**
- ❖ **Stay seated at your desk till all papers are collected at the end of a session**

❖ Keep your mask on at all times for the safety of yourself and others AND maintain social distancing at all times.

Wishing you all the best! Stay safe and healthy.

Sixth Form Team
