Combined Senior School Weekly Newsletter

27/05/2021

Dear Parents

High School presents its 24th weekly newsletter. We hope this newsletter finds you all safe and happy!

Graduation Plans for Year 11 Students

The Graduation Certificate and Souvenir Collection details are already shared in the letter sent on Tuesday 25th May. There might be some amendments in the plan as per the latest Graduation Ceremonies Procedures and Guidelines received from the COVID 19 Command and Control Centre. We are still in extensive communication with the KHDA with regards to the updated protocol. All students and parents will be updated as the final approval is received.

Final Year End Examination for Year 7 to 10

The Final Year End Examination for year 7 to 10 begins from 30th May. These exams will be conducted online with all BL and DI students taking these from home. Curriculum for these exams has been covered and revision is done. The curriculum coverage has already been shared with the students. Exam schedule is published with the previous newsletters and sent separately on Edunation too.

Process and Procedure:

- these exams will be conducted online
- students must join the homeroom at 7:45
- question papers will be made available at 8:00
- exam start time is 8:10
- question papers will be published on Edunation
- answer scripts/completed question papers must be turned in on Edunation as per the designated time along with the declaration form attached
- submission of paper will not be accepted without the declaration forms
- no absence will be approved during the exams
- in case of medical or any other emergency, information with supporting document must be sent on or before the exam day
- there will be no provision of retest in case of any kind of absence

Note 1: All cameras must be turned on and the students must be clearly seen during the exam invigilation meetings, showing only the forehead or room ceiling will not be accepted. Any issues with malfunctioning or unavailability of camera option must be resolved well in advance. No excuses will be accepted and keeping camera off will result into removal from the exam meeting and disqualification of the exam.

No question answer with the invigilator during the exam. Chat box will be available should students need to clarify something very urgent and important.

Note 2: Since these exams are conducted online, it is a shared responsibility of the students, parents and teachers to ensure that students are genuinely reflecting on their learning and taking the exams with utmost sincerity with absolutely no use of any unethical means. Though we have the plagiarism check, strict invigilation system and exam malpractice policies to deal with such cases BUT we are to understand that this malpractice may lead to some very severe consequences not only in terms of disqualification of the internal exam but also the long run impact on the educational, professional and most importantly moral aspects on one's personality.

Here is the examination Schedule again for your reference:
