

Circular AUS/2021-2022

9 SEPTEMBER 2021

Dear parents and students,

IMPORTANT VACCINATION STATUS INFORMATION REQUIRED BY KHDA

As per RPC, KHDA's directives, we are required to submit our students' vaccination status data. We request all parents to provide this information by clicking the link posted on Edunation and complete the information as appropriate for each child separately.

Please note that this is a weekly survey and hence all parents need to fill this every week.

Although, as per KHDA's directive, vaccination is not mandatory for students in Dubai, we encourage all eligible students (as mentioned in UAE guidelines) to be vaccinated to enhance their protection against Covid-19 infection.

REMINDER OF COVID-19 HEALTH AND SAFETY PROTOCOLS

Please remind your children of the health and safety protocols, **shared on Page 2 of this circular**, to avoid any further spread of the COVID-19 virus. Stay vigilant and alert with regards to these important prevention protocols.

ADMISSIONS

We are eagerly awaiting further direction from the authorities with regards to relaxing social distancing rules further in the near future. The KHDA's objective is to work towards allowing all students back into classrooms by the 3rd of October and we support this initiative, while ensuring everyone's safety on campus.

From as early as next week, we will start to notify those who are currently on waiting lists to join the In-School classes. Eventually the goal is to have all students, even those who opted for Distance Learning, back on campus.

Please remember to read all the communication from the respective Heads of Section/School that will be specifically focusing on those year groups' detailed arrangements.

IF YOU HAVE ANY QUESTIONS, PLEASE CONTACT parentliaison@arabunityschool.ae

Leonard Murphy**Principal**

STAY SAFE STAY HEALTHY

WEAR A MASK IN PUBLIC

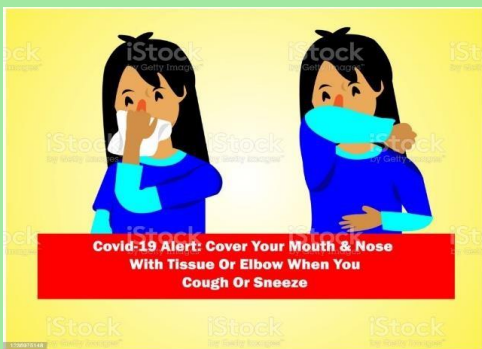

DO NOT TOUCH FACE

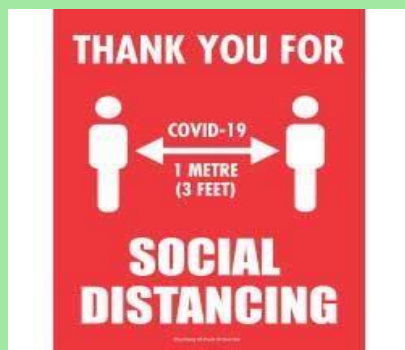

WASH YOUR HANDS WELL & OFTEN
WITH SOAP & WATER FOR AT LEAST 20 SEC

SANITIZE YOUR HANDS

COVER YOUR MOUTH & NOSE WHILE
COUGHING & SNEEZING

KEEP YOUR DISTANCE

Protect yourself.
Protect others.
