

Circular AUS/2021-2022

30 SEPTEMBER 2021

Dear parents and students,

ALL STUDENTS BACK IN SCHOOL

AUS has nearly achieved the objective to safely accommodate all students (including Distance Learning students) back into classrooms by the 3rd of October, while meeting the health and safety requirements monitored by KHDA, DHA and the DM.

DISPERSAL ARRANGEMENTS

Due to all schools now bringing back all their students into school, there is a huge increase in traffic around AUS as well. We are carefully considering implementing different strategies to alleviate this problem and you will receive information from the relevant Heads of Section (HoS) with regards to what changes to the dispersal arrangement will be introduced from next week. **Please be patient when you collect your children from school and make sure to check the messages sent on Eduration with regards to the specific arrangements for your child/ren's section/s and follow these directions closely.**

FOUNDERS' DAY

AUS will God-willing celebrate it's **47th Founders Day on Sunday 17th of October**. The program will consist of two major parts:

- Founders' Day celebration
- Investiture of new student leaders and celebrating our IGCSE/AS/AL Toppers of June 2021

Only students who participate in the proceedings on the day will attend the function. The rest of our students will view the proceedings of the event from home, after their attendance have been marked via Eduration, on that day.

HALF-TERM BREAK

The KHDA approved half-term break will be from **Monday, 18th of October, for the rest of that week**. School will open again for the students from Sunday, 24th of October.

Please stay safe and healthy!

Leonard Murphy
Principal
