

Circular AUS/2021-2022

11 NOVEMBER 2021

Dear parents and students,

**EARLIER START OF THE SCHOOL DAY AT 7.30AM**

After the successful trial on Wednesday (10 November) and Thursday (11 November), it has been decided to **continue with the arrangement to start the school day earlier at 7.30am.**

Thank you for everyone's patience to trial earlier timings for the start and end of our school day.  
We dearly appreciate your support!

With the new school timings, we are now able to provide the quality learning opportunities we are continually striving towards, while accommodating our students, parents and staff with regards to avoiding unnecessary exposure to severe traffic delays.

**NEW EXECUTIVE LEADERSHIP POSITIONS**

Congratulations again to **Dr Nelius van Vuuren who has been promoted to the Vice-Principal** of AUS. His expertise and experience in the areas of developing teaching and learning and school improvement is of great value to our school.
