

Circular AUS/2021-2022

25 NOVEMBER 2021

Dear parents and students,

COMMEMORATION DAY AND UAE NATIONAL DAY

Next week Wednesday and Thursday will be public holidays and no school due to the remembrance and recognition of Commemoration Day and our 50th UAE National Day.

UAE National Day celebrations will be conducted in the respective sections of the school and led by the student leaders in those sections.

AUS salutes all those who have given their lives to protect all of us in this magnificent country.

AUS prays that God will bless the UAE abundantly for the next 50 years and share our best wishes and congratulations to the leaders and community on this 50th birthday of the United Arab Emirates.

LATE ARRIVAL AND ATTENDANCE

Thank you for the improvement we are observing with regards to late arrival of some students who are using their own transport. Please ensure that your child/ren arrive on time for the start of the school day.

It is important to avoid taking our students out of school during the academic term – especially the next two weeks before school closes on 9th December. Very important assessments are happening over these next two weeks. The results of these assessments allow us to implement intervention strategies to address the identified areas for improvement during these winter assessments.

We are pleased to observe that the overall attendance of our students is improving and is now close to reaching the target of 'Very Good' according to the KHDA requirements. Please continue to encourage your children to come to school every day and to notify the appropriate leaders when there is a very urgent reason that may allow the absence to be authorized.

ADMISSIONS FOR SIBLINGS FOR 2022-23 ACADEMIC YEAR

The admissions for siblings of our current students for the 2022-23 academic year will start in November. The relevant link is available on the new school website to initiate the registration process for siblings.

If you have any queries with regards to this process, please contact the Admissions Officer on the following email address: admission@arabunityschool.ae

WINTER ASSESSMENTS

In the Sixth Form and Secondary Schools the winter assessments are being administered currently. Teachers have provided the appropriate information and materials, including modules and summaries prepared by our staff, to ensure our students have what they need to prepare themselves for these important assessments.

Please make sure to read the FS2 and Primary School newsletters and Edu-Nation messages for more detailed information regarding the arrangements for their assessments for the rest of Term 1.

Please stay safe and healthy!

Leonard Murphy
Principal
