

Circular AUS/2021-2022

20 May 2022

Dear parents and students,

CELEBRATIONS ON OUR SOCIAL MEDIA PAGES

Please remember to visit our Arab Unity School and AUS social media pages where we regularly share celebrations of our students and staff who are acknowledged for exceptional achievements. The links to these official social media pages are available from the school website. Unfortunately, there are other pages on social media that have not been created by the school and many times do not have officially approved school information. Please be careful of those and let the relevant Heads of Section know when you notice these. You may also report such cases to reception@arabunityschool.ae

RE-REGISTRATION FOR 2022-23 ACADEMIC YEAR

Students who are eligible to re-register for 2022-23, have already, or will receive, a confirmation message on Edu-Nation to proceed with the process. The Accounts Department will NOT accept any re-registration fees if you have not received this confirmation message as explained above.

Please make sure to clear any outstanding fees at the earliest if you have not received an eligibility message via Edunation yet. Unfortunately, no seats will be reserved for the next academic year for current students when pending fees have not been cleared or official arrangements with the Finance Manager have not been agreed. This will allow the Admissions Officers to enroll the steady flow of new admissions to plan more efficiently for the new academic year.

Fortunately, the school is in a good position to increase the number of classes in most year groups for the 2022-23 academic year.

KHDA PORTAL WITH SCHOOL FEES FACT SHEETS AVAILABLE VERY SOON

As advertised in the press and other social media platforms, KHDA has requested all private schools in Dubai to submit all possible fees that may be applicable for the 2022-23 academic year. This will promote more transparency for parents to make more informed choices of schools for the next academic year.

AUS has submitted the suggested changes in the school fee structure for the 2022-23 academic year and KHDA has confirmed that it is under review and that their confirmation will be received soon. As soon as the official confirmation is received from KHDA, this fact sheet will appear on the KHDA portal that is available to the public and separate, updated fee structure information sheets will be posted for each year group on the school's website.

Best wishes for the last important stretch of the current academic year.
