Explanation Comments to explain the newly approved School Fee Structure for 2022-23

1. The KHDA approved tuition fees, book/resource fees and medical fees have not changed from the previous academic year. The tuition and book/resource fees are combined this academic year and no separate book shop visits will be necessary at the start of the year. Students will receive their books and login details for e-resources from the teachers during the first week of term. All stationery, notebooks, physical + E-textbooks and other resources, as applicable to the respective sections in the school, are included in this amount.

2. Standardised tests are determined by KHDA or MoE every academic year and the fees will be collected for only the relevant year groups as per the KHDA/MoE guidelines.

3. AUS strives to provide students a holistic learning experience to develop life skills and confidence that includes a variety of extra-curricular programs outside the academic program. These extra-curricular events and programs conducted during school hours are shared on the Parent-School Agreement and include sports days, annual days, ethnic days and a variety of other programs. A very high investment was made in the past two years to upgrade the infrastructure to provide safe and efficient internet and related services across the school campus. The need to continue to develop and update technology and cyber-security across the school campus is more important than ever before and requires continuous investment and maintenance.

4. *The new STEM laboratories can only accommodate a limited number of students to ensure optimum learning when using the equipment. Those students who do not use the equipment, will follow the same curriculum with online resources. Every term the first students who pay for the use of these labs will be accommodated.*

5. ** AUS will again invest in a standardised reading level testing and intervention program to strategically and measurably improve the reading levels of all our students.

6. AUS has introduced the SKIPLY payment gateway program to facilitate online payments.

7. Fees may be paid in installments as follows: 1ST INSTALLMENT PAYMENT BEFORE 1st SEPTEMBER, 2nd INSTALLMENT PAYMENT BEFORE 1st JANUARY AND 3rd INSTALLMENT PAYMENT BEFORE 1st APRIL.

8. THE FEES DO NOT INCLUDE UNIFORMS, MEALS IN CANTEEN, TRANSPORT FEES AND OTHER FEES E.G. SCHOOL TRIPS.
