Dear parents and students,

UAE FLAG DAY CELEBRATIONS

Thank you for all the support we've received from parents during the celebrations of the UAE Flag Day this past week. It is dearly appreciated!

It was wonderful to share some dedicated time with our Emirati students and their parents during an event on the same day.

The new Parent Forum members also met for the first time as a group and some very valuable advice and suggestions have been shared during our time together. We wish all our new representatives of the Parent Forum all the best for an exciting new year and even stronger collaboration in the future!

NEWSLETTERS OF DIFFERENT SECTIONS ACROSS THE SCHOOL AND SOCIAL MEDIA

It is so exciting to view the newsletters that are shared with our school community from the respective sections across the school – especially those who have been prepared by our students and Inclusion Team.

Please refer to our social media pages for some good news regarding our students' achievements. For example, some of our Sixth Form students won a significant amount in scholarship money for the Math competition that the Rochester Institute of Technology (RIT) conducted last week.
