

Circular AUS/2022-2023

6 January 2023

Dear parents and students,

**WELCOME TO OUR NEW HEAD OF PRIMARY**

**We thank and appreciate Mr Rocco and Ms Sadia** who had to take up many additional responsibilities during the time that we were searching for a new Head of Primary. **We salute you for the commitment and leadership** that you've shown during this challenging first term!

Although Ms Lizy Rosaline, who started her tenure in AUS on Monday, 2<sup>nd</sup> of January, has introduced herself to all our Primary Section's students and parents, it is important to welcome her again to the whole AUS school community.

Ms Lizy Rosaline holds a Masters both in English and Education, a Bachelor of Chemistry as well as a Bachelor of Education in English/Science from the University of Madras.

Prior to joining AUS, she has 22 years of teaching experience in British Curriculum and CBSE schools in India, Oman and the UAE. For the past 9 years she worked in leadership roles in Dubai at GEMS Education and was given an opportunity to act as a CIE Mentor for the past 4 years.

Ms Lizy shares: "I firmly believe in the power of the Teacher to 'influence and mould' a student's impressionable mind. My Goal of the Year is to inculcate reading habits in students and to raise the standard of teaching and learning within the Primary."

We are looking forward to working together to lead our Primary section to even higher heights in the future.

**WELLBEING CHAMPION**

I take this opportunity to introduce our **Wellness champion, Pooja Harikumar**. She is also our secondary and sixth-form school counsellor. In addition to nurturing our students, Pooja is actively involved in wellness activities for staff and students. We are looking forward to working with her in her role as our Wellness Champion. On behalf of her, I would like to thank all parents who participated in our survey conducted in Term 1. The feedback and suggestions obtained from this survey are taken very seriously by the school. The result of the survey and the actions taken can be accessed through the link below.

**CONGRATULATIONS TO OUR STUDENTS WHO WON THE PWC INTER-SCHOOL CHALLENGE**

Year 13 students from Arab Unity School participated in PwC's Inter-school Challenge on 10th December 2022. The AUS-team included Ibraheem Abdul Raheem Akbar, Sharanya Kanathan, and Ishmal Afridi. The team challenge was divided into five point-based rounds with each round focusing on theme-based questions. The team managed to get through all 4 rounds to stay in the game. Round 5 questioning concentrated on Accounting & Finance questions, a strength area for our team, and they left everyone behind on the leaderboard. The victorious AUS students were awarded shields and a trophy to add to Arab Unity School's hall of fame.
