CONGRATULATIONS TO STUDENTS CONTINUING TO MAKE AUS VERY PROUD

Our Top in the World and Top in the UAE achievers will receive their beautiful Cambridge (CAIE) certificates by a representative from Cambridge on Friday, 10th February.

Some of our students performed exceptionally well in the CODEAVOR 2022 competition where close to 230 schools across the UAE participated. These and other students are continuing to make the AUS community extremely proud on many different levels. Please celebrate their achievements with us by frequently visiting our social media pages communicating these success stories as swiftly as possible. Well done, students! We are really proud of you!!
