Dear Parents,

We trust that our families are in good spirits, healthy and rejuvenated as we start a new term today. It is going to be a very busy term and much to be accomplished before the academic year ends. We have End-of-Year, CAIE and Benchmark Assessments, and it is time for all of our awesome students to put their best feet forward. Our teachers and leaders will continue to liaise with parents and students on goals to be met by the end of the academic year. Please stay in touch with the class teachers to enhance the conversations regarding their academic performance for each subject, and how you can assist your child/ren in home learning to strengthen their skillset. We cannot wait to see how our kids will be able to celebrate their academic growth.

In addition, as we go through the Holy month of Ramadan, it is a good time to reflect on kindness and empathy. Our school culture reflects Islamic values that support each other to evolve as better people every day as well as to perceive things in a better way.

Please note that on Friday, 14th April 2023, the school instructional time will be online i.e. Distance Learning for FS to Year 13.

We appreciate our collaboration and let's make AUS a kind and caring learning Community.

Your Partnership Is Truly Appreciated! Thanks for all you do for our children!

Ramadan Kareem.

Sincerely,

Susan Varghese
Acting Principal
