Date: May 12, 2023

Dear Parents,

We hope this message finds you in good health and spirits. We wanted to express our gratitude for your cooperation during this busy, yet productive week. The highlights of this week include the orientation we held for our AY 2023-24 Early Years parents. Your trust in building a better future for our children is much appreciated, and we are proud to work alongside you in shaping their future.

New Group Reading Test (NGRT)

The New Group Reading Test (NGRT) will take place for Years 1 to 10 students from Monday, 15th May to Friday, 19th May 2023. We request parents to ensure 100% attendance of our students to achieve their academic goals.

COP28 Objective

In line with UAE's sustainability agenda, enhancing environmental awareness, and unifying efforts on climate action to reach practical solutions to overcome climate change challenges and in preparation toward UAE hosting COP28 (UN Conference on Climate Change) during the period 30 November – 12 December, Arab Unity School will organise various activities to support the green education partnership initiatives by the UAE towards a sustainable future. Our vision is to build a green and sustainable school community through curriculum integration. We aim to achieve this goal through student leadership who will collaboratively create an eco-friendly community that will leave a lasting impact for future generations.

Reminder: Re-registration for AY 2023-24

Only one week left to re-register your children for the new academic year 2023-24. Kindly clear any pending fees before re-registration as the Accounts Department **will not accept** any re-registration fees when pending fees have not been cleared in full for the current academic year. You are strongly encouraged to complete the re-registration latest by Saturday, 13th May 2023, as there is no guarantee for seat availability once the school accepts new admissions from Monday, 15th May 2023.

Given the rising temperatures during summer, our Hot Weather Policy aims to keep students engaged in indoor games to align with the prevailing heat index. Ensure that our students carry enough water to stay hydrated.

We hope you have a restful and enjoyable weekend.

Sincerely,

Susan Varghese
Acting Principal
