Dear Parents,

As we come to the end of another week, we would like to express our gratitude for your steadfast cooperation in ensuring the smooth closure of all assessments for this academic year. Your support helped to ensure that our students have the best possible learning experience, and we appreciate your active participation in this week's Father's Day event.

Please note that our staff members are currently busy preparing and consolidating students' progress and attainment data for the end-of-the-year report and for the next steps. The report card will be available to access on Edunation from Friday, 7th July 2023. We will keep you informed of further updates if any, so please stay tuned to our communication channels. Please be reminded to clear any school fee dues to avoid any delay in the release of your child/ren's report card. Thank you for your continued support.
