Date: September 15, 2023

Dear Parents,

We would like to express our appreciation for your active participation in the events and activities that took place this week at Arab Unity School. We have successfully conducted the baseline assessments, providing valuable information to our academic team for delivering personalised classroom instruction to each student.

We look forward to warmly welcoming FS2 and Year 1 parents for the scheduled orientation tomorrow, September 16th at 9 a.m. in the Taher Hall.

Educational Visits

This week, our students of Years 10 and 11 had the opportunity to visit the Etihad Museum, where they gained valuable insights into Emirati Culture and UAE Heritage. Our dedicated teachers will continue to provide enriched educational experiences as part of our curriculum.

External Benchmark Assessment

Please find below the schedule for the external benchmark assessments taking place in September. We encourage you to stay connected with the respective Phase leaders/ class teachers if you need any clarifications in this regard.

NGRT: 18th – 28th September

CAT4: 21st – 28th September

Attendance and Punctuality

As we know, attendance and punctuality are crucial aspects of a successful learning environment, playing a pivotal role in ensuring students' academic development and the overall functioning of the school. As formal partners in your child's education, it is essential that we work together to instil these values in our students.

Know Thy Curriculum

Our Primary team will be conducting "Know Thy Curriculum" to receive an overview of the core subjects (English, Maths, Science) from Year 2 to Year 6.

The objective of this session is to enhance parental understanding of our instructional methodologies in core subjects, employing diverse strategies aimed at fostering students' self-assurance in acquiring future-oriented skills.
