Dear Parents,

We hope this message finds you well.

Our students have completed their external benchmark assessments, CAT4 and NGRT which provide us with insights into the academic progress and capabilities of our students. Moving forward, we will continue to employ various assessment strategies to monitor our students' progress, provide timely support and ensure that their learning aligns with curriculum standards.

Tardiness (Attendance Policy)

As we step into October, we would like to address some important matters regarding attendance and punctuality at school. After conducting an analysis of this month's attendance, we have noticed a concerning trend among some of our Own Transport (OT) students arriving late for school. It has come to our attention that a significant number of students are not adhering to the school timings.

In order to ensure a smooth and punctual start to each school day, it is imperative that all students are present in school by 7.30 a.m. Starting from October, we will enforce our tardiness policy strictly.

Your cooperation in this matter is highly appreciated as it will contribute greatly to the efficient functioning of our school. We request your support in instilling a sense of responsibility and punctuality in your child's daily routine.

We would also want to emphasise the importance of wearing ID cards for all students at AUS. If any student has misplaced or lost their ID cards, we request you to contact the respective homeroom teachers/learning managers without any delay. ID cards maintain the security and safety of our campus, and we request your support in reinforcing this message with your child/ren.

Reminder: School Holiday- Mawlid Al-Nabawi

Please be reminded that Friday, 29th September, will be a holiday to mark the birthday of the Prophet Muhammad (Peace be upon him). The school will resume on Monday, 2nd October.
