Dear Parents,

This week was incredibly eventful, with our students participating in various events and activities that focused on developing life skills and problem-solving abilities, providing real-life applications of subjects through expert talks, etc. We are confident that you were kept informed about these activities through our communication channels as well as through social media.

Please be informed that our first Parent Forum meeting took place on Tuesday, 26th October. The Parent Forum plays a vital role as the school's valuable stakeholders, serving as the voice of the school and acting as ambassadors to the school and the wider community. We encourage more parents to actively volunteer for AUS and join our Parent Forum group, ensuring the sustainable growth and success of our school. If you are interested, please email Ms. Waffa at principal.secretary@arabunityschool.ae.

We appreciate your support as we made the unprecedented transition to online lessons due to unsafe road conditions today, 27th October. Our teachers worked remotely and monitored the smooth submission of students' assignments, ensuring that the instructional day proceeded smoothly, just like on campus.

There will be a **Parents Workshop** organised by the AUS Inclusion Department tomorrow, Saturday 28th October, from 10:00 a.m. to 1:00 p.m. in Taher Hall. The workshop will feature an expert talk and focus on various topics, including positive parenting, self-care for parents, behaviour management at home and effective strategies to support Literacy and Numeracy learning. We eagerly look forward to welcoming our parents and anticipate maximum stakeholder partnership.

We value your involvement in our school community and your continued support.
