Dear Parents,

We thank you for your coordination in ensuring the transition to online schooling today, 17th November. This decision was undoubtedly important for the safety and wellbeing of our students and staff, considering the health and safety hazards caused by heavy rain. In order to ensure the health and wellbeing of our students and staff/families, we followed the guidelines provided by the regulatory authorities.

We acknowledge the fantastic achievements our students have made this week. They have truly demonstrated great ownership of their learning skills, not only inside the classrooms but also beyond their walls. Their active involvement in the STEAM exhibition, Math Week and Anti-bullying Week were true examples of this. We would like to express our gratitude for the parental involvement that made our FS2 students' "Winter Concert" a successful event on Thursday, 16th November. Your participation and encouragement have undoubtedly contributed to the overall success of this event.

With winter assessments right around the corner, we would like to remind you to stay in touch with your child's class teachers and academic team. In case you need further information regarding the syllabus, additional support, or any other concerns you may have, we will work together to ensure our students are well-prepared for these assessments.

We would like to reiterate the importance of ID cards; they must always wear their ID cards while adhering to the school safety policy. Please ensure that your child/ren wears their ID card without fail every day. If a card is lost, kindly contact the class teacher as soon as possible.

Last Reminder: Parent and Student Survey by KHDA

Thank you for completing the Parent and Students Survey. For those who are yet to submit, please do so before the deadline, which is on Thursday, 30th November 2023. Once again, we are sharing the respective links for your reference.
