Date: February 9, 2024

Dear Parents,

We are glad to announce that we have successfully concluded all the annual sports day events for the current academic year, and our teachers have worked tirelessly to ensure that every student has shown resilience and confidence in their abilities. We appreciate all parents who have attended and participated in the sports events. Your support and enthusiasm have truly made a difference in creating a positive and encouraging environment for our students. Your presence in the stands, cheering on our students, shows just how much you care about the growth and development of our students beyond the classroom.

We are also truly delighted by the outstanding performance of our senior students who have emerged as winners at the Artificial Intelligence and Data Science competition held at the Emirates Aviation University on 8th February 2024. Their success is poised to serve as a shining example, inspiring our junior students to explore the forefront of technological advancements.

Mid-term break

Please be reminded that we will be closed for the mid-term break from 12th to 16th February. The school will resume on **Monday, 19th February 2024**. We encourage our students to take this time to relax, rejuvenate and prepare for the remaining academic year.

Admissions for AY 2024-25

We are delighted to announce the commencement of admissions for the academic year 2024-2025. We extend a warm invitation to prospective students to embark on a rewarding journey of personal development, learning, and achievement within our prestigious institution. For more information regarding the admission process, please visit the Arab Unity School website:
