Date: March 1, 2024

Dear Parents,

As we reflect on this week's events, we want to thank you for your ongoing support and involvement, particularly in our recent Haq al Laila celebration.

We are pleased to share that our school was awarded the STEM Innovation Implementation Award during the Edutech 360 Summit Awards hosted by Guardian One Technologies on 29th February 2024. In addition, our Sixth Form students successfully participated in the Tag and Dodgeball Finals held today at the school campus.

Our teachers are also actively engaging in external workshops to enhance their practices and ensure the delivery of quality education to every student. We want to remind you that mock exams for our senior students will commence next week.

Looking ahead, we have a busy week planned, including Literacy Week, which will feature a Book Fair, Speech Competition, Cook a Book, Character Dress Up Day, etc. Our inclusion department has scheduled an Inclusion Fest, "LIL'TRADE FEST" on Friday, 8th March, encouraging entrepreneurial spirit and essential life skills development amongst our students.

Your continued support is vital to improving our students' attendance and tardiness. Thank you for your attention, and we look forward to your participation in the upcoming events.
