Dear Parents,

This week has been focused on term assessments and mock examinations at Arab Unity School. We have completed all benchmark assessments scheduled for Term 1 and 2. This data provides valuable insights to support all our students, so we encourage you to take all awareness sessions seriously and continue to be involved in your child's academic learning.

We express our gratitude to the parents who attended the recent engagement sessions. We look forward to inviting more groups of parents in the coming weeks as we prepare for our golden jubilee year. Our school management is committed to continually reviewing the provision and recruitment that is in the best interest of all our stakeholders. Thank you to all the parents who participated in the virtual Secondary Options Day last Saturday.

Attendance

Please familiarise yourself with the tardiness policies and the process for leave applications. Despite our reminders repeatedly, we continue to see many students arriving late to school. Students must be in school by 7:30 a.m. to participate in morning activities.

Your input and collaboration are valued, so please feel free to reach out if any key issues may impact our students. Together, we can ensure the success of all our students.
