Dear Parents,

As we end a successful Term 2, we are pleased to highlight that our students have excelled in both academic and extracurricular activities during these months.

Primary Math Week has showcased our students' impressive numerical skills and their ability to apply them to real-world problems. We would like to extend a special thank you to all parents who have supported and motivated our students to make this event a fruitful one.

We are pleased to inform you that we have completed the Term 2 assessments and Mock exams for our Secondary and Post 16 students. The AUS community came together this week to celebrate International Happiness Day, spreading joy and camaraderie among students and staff. As UAE celebrated Mother's Day on 21st March, we would like to extend our heartfelt wishes to all our moms for their unconditional love and support. Our students also shone at the interschool Arabic Poetry Challenge Competitions at Jumeirah College, where they were awarded the overall second prize among many participating schools. Our students have successfully grown and harvested a variety of fruits and vegetables as part of their enrichment activities, demonstrating their dedication to leading healthy and responsible lives.

Please be reminded that the school will be closed from Monday, 25th March to Friday, 5th April for Spring Break followed by Eid Al Fitr holidays (with actual dates subject to the UAE government's announcement). We hope that this break provides an opportunity for families to bond and for students to rejuvenate and engage in enriching real-life experiences.

We look forward to welcoming our students back to school for Term 3 on Monday, 15th April 2024. Wishing you a restful and enjoyable Spring Break.

Sincerely,

Susan Rubin Varghese
Deputy Principal
