Dear Parents,

We trust that this message finds you all well and safe.

We want to inform you that an inspection of the school premises has confirmed that all classrooms, corridors and play areas are safe for our students and staff. Our school support team is dedicated to keeping all areas clean and ensuring that any excess water on the ground is promptly drained.

With no risks identified, the school will resume normal face-to-face classes on Monday, 22<sup>nd</sup> April 2024.

A special kudos goes to our IGCSE students, parents and staff for their support and cooperation in conducting the examination successfully amidst uncertainties. Our support staff are true heroes for their tireless round-the-clock efforts in facilitating a smooth transition to on-campus learning.

We wish you a happy and safe weekend and we look forward to welcoming our students on Monday. We will inform you of any changes through Eduration in case of unforeseen circumstances.
