Dear Parents,

We want to express our gratitude for your support in ensuring a smooth transition to on-campus learning for our students. It has been a pleasure to see our children engaged in joyful learning experiences both in and out of the classroom. We value and appreciate your active engagement with our staff during this week's PTM. We look forward to your continuous participation and support in our future events.

We are pleased to inform you that we had 30 Psychology students from Amity University on our school campus today, who have volunteered to create awareness of Autism and spread the message of acceptance and support among our secondary students.

Our Cambridge assessments are currently underway, and our senior students will continue to receive additional support to strengthen their skills in specific subject areas.

Please be aware that our external benchmark assessments are in progress and will take place throughout May and June. NGRT has already begun, and GL- PT Series for Math, Science and English is set to commence next week. This is a gentle reminder to ensure that your child/ren attend all upcoming examinations as per the schedule provided. It is significant to strive for 100% student attendance until the end of the term to guarantee your child's academic success and progression to the next year. Thank you for your attention to this matter.

Our school will be hosting walk-in interviews for individuals interested in joining our esteemed AUS family on Saturday, May 4th. If you or someone you know is qualified to apply for positions in Primary and Secondary teaching, we invite you to visit our school on that day between 9:00 AM and 11:00 AM.
