Dear Parents,

Reflecting on another wonderful week, we are proud to witness our students excel in various in-house and external programmes, showcasing their abilities and talents. It warms our hearts to see them shine!

This past week, our primary students participated in fantastic Talent Shows, where they confidently demonstrated their skills beyond the age-appropriate standards. The enthusiasm and creativity displayed were remarkable!

Meanwhile, our FS students celebrated an important milestone, marking 100 days of accomplishments this year. They have exemplified the values of our academic journey, displaying impressive personal, social and emotional growth within a nurturing and enriched environment. This week, our FS team had an external evaluation that confirmed our students' improved learning, achievements and personal growth.

Our Sixth Form students made us proud by participating in and winning the Artificial Intelligence and Data Science Competition organized by Emirates Aviation University on Thursday, February 13th. This achievement showcases their dedication and talent. Additionally, the Science Quiz held today demonstrated their preparedness to engage with scientific concepts and apply their knowledge to real-world scenarios!

The Secondary Speech Competition, arranged by the English department, emphasized how advanced technology fosters critical thinking and teamwork, while also examining its advantages and disadvantages. Congratulations to the Year 8 students!

We would also like to remind you that the FS Family Conferencing (PTM) will take place on Saturday, February 15th. We look forward to welcoming you and discussing your child's progress!

Term 2 Curricular Tests

Please note that the curricular tests for Primary and Secondary students are scheduled as given below:

Primary: 19 – 25 February

Secondary: 21 – 28 February
