Date: April 11, 2025

Dear Parents,

Stepping into Term 3, we are pleased to announce that the Cambridge examinations have already started, and our dedicated teachers are busy providing extra support and guidance to ensure each student is well prepared. We kindly ask all parents of exam group students to connect with their child's subject teachers if any additional learning support is needed. We encourage full attendance during practical and theory exams' preparation lessons scheduled by our teachers to help boost your child's scores.

On another note, it was a joy to see our FS munchkins kicking off the week by celebrating the wonderful people who make our world a better place. This assembly beautifully demonstrates their understanding of the real world and supports their personal and social development.

We are thrilled to celebrate our Teachers Talent Unplugged event today! Our staff members are eager to showcase their remarkable enthusiasm and talent, contributing to a lively community atmosphere.

Please be reminded that the Parent-Teacher Meeting for Primary School and Year 11 is scheduled for tomorrow, Saturday, April 12th. We look forward to seeing you there!

Looking ahead, next week promises to be eventful as we celebrate Math Week for our secondary students. Thank you for your ongoing support and collaboration!

Term 2 Report Card

Please be informed that the Term 2 Report Card is now available for access via Edunation. We kindly urge parents to assume a more active role as stakeholders by ensuring timely payment of fees to the school. Please note that access to the report card will be restricted for those with outstanding balances.

Reminder to Re-registration

We would like to remind you that the re-registration process for the academic year 2025-26 has commenced and will remain open until May 7, 2025. Following this period, registration will be open to new students on a first-come, first-served basis. Please note that the same registration policy and timeline apply to **bus transport re-registration** for the upcoming academic year. Additionally, re-registration will only be accepted upon the **completion of full payment** for the current academic year.

Behaviour Policy

We would like to share the Behaviour Policy once again to ensure that the personal and wellbeing of our students are prioritised and nurtured throughout their educational journey. Our goal is to create a supportive and respectful environment aligned with our core values where every student feels empowered. The Behaviour Policy outlines our expectations for conduct, emphasising kindness, respect, and responsibility. We encourage open communication between students, teachers, and parents to foster a community of understanding and growth. As we move forward, let's work together to uphold these values and support each other in achieving a positive and enriching school experience for all. New Group Reading Test (NGRT) Form C

NGRT, a standardised, adaptive, termly assessment to measure reading skills against the national average, will take place for Year 2 to Year 10 students from April 14 to May 2. It is essential that your

child is present on the scheduled test day. Make-up tests will only be arranged for students with a valid reason for absence (e.g., medical or emergency situations), and supporting documentation must be submitted to the school. Please note that without a valid reason, no make-up test will be provided.

Invitation to participate in KHDA's Digital Technology and AI in Education surveys

Parents:

The Knowledge and Human Development Authority (KHDA) is conducting a survey regarding the use of digital technology and artificial intelligence (AI) in schools across Dubai. To participate, please complete a brief questionnaire about your child's technology use and your satisfaction with the support provided by the school. Your insights will help KHDA understand how digital technology and AI are influencing your child's learning experience. Rest assured, all data will remain confidential and will be analysed in aggregate form. **The survey will be available until April 29, 2025.** Click here for the survey: [Parents_KHDA Survey April 2025](#)

Students in Year 10 to Year 13:

A separate survey, lasting 10 to 15 minutes, is required for students in Year 10 to Year 13. Students will complete the survey at school. We kindly ask for your consent to allow your child to participate. Your support is vital for this study, which aims to create a safe, effective, and accessible digital learning environment. While we encourage all students to take part, if you prefer that your child does not complete the survey, please reach out to the class teacher directly before 14th April (Monday).

Next Week Activities

Monday, Apr. 14	Tuesday, Apr. 15	Wednesday, Apr. 16	Thursday, Apr. 17	Friday, Apr. 18
