Dear Parents,

What an extraordinary week of learning we've experienced at our school! The excitement within our community was tangible as our students engaged in a range of English Week activities, showcasing their remarkable talents and creative expressions.

From the engaging role plays performed by our EYFS teachers to the lively characters brought to life by our Primary students, and the impressive creativity showcased by our secondary school scriptwriters—including a Living Wax Museum—it's evident that every contribution has added a vibrant touch to our community!

The Ted Talk organised by our Primary, Key Stage 2 English team, which included participation from students from other schools, highlighted our commitment to progressive thinking and character building. It showcased how our students are embracing responsibility for their own lives. The outreach event for our Primary, Key Stage 1 students on the occasion of Shakespeare's birthday reinforced the importance of nurturing reading habits, an essential priority for us. It was great to see our mystery readers inspire our little ones and spark their love for reading! We extend our thanks to our dedicated teachers and to our parents for making every event during our Literacy Week a resounding success. Your engagement does make a difference!

On another note, we encourage you to please continue to follow the guidance of our subject teachers, ensuring that our sixth form students attend their intervention sessions to improve their grades in the Cambridge examinations. Individual support from teachers during this time is invaluable, and we encourage your coordination in this important matter.

Last Reminder to Re-register

Please be reminded that May 7th is the last week for re-registration before we begin accepting new students on a first-come, first-served basis. The same registration policy and timeline also apply to bus transport re-registration for the upcoming academic year. Furthermore, re-registration will only be processed once full payment for the current academic year has been completed.
