Dear Parents,

As we reflect on the engaging classroom experiences our students have participated in this week, it is great to see their enthusiasm as they strive toward their major academic goals. Their active learning continues to be a joy to witness!

External benchmark assessments for our Primary students are currently in progress, while those for our Secondary students will commence next week. These assessments are crucial milestones in our students' educational journeys. For our senior students, the Cambridge assessments are also underway. We are excited to offer our support as they navigate this important phase of their academic life.

Open Admission for AY 2025-26

We are pleased to announce that admissions for new students officially opened on May 8th. We have received a significant number of applications. Please note that seating is limited; therefore, if you have not yet re-registered your child, we strongly encourage you to visit the school soon to avoid any inconvenience.
