Dear Parents,

Progressing with our Term 1 Summative Assessments for students from FS2 to Year 10, our academic team is actively engaged in marking and moderating results. We appreciate your support and cooperation throughout this process!

Looking ahead, we are committed to enhancing family involvement in your child's learning. We believe that working closely with you will make a significant impact. Our regular Health and Safety meetings, along with audits, ensure a safe and conducive environment for everyone, as confirmed by our compliance visits.

Exciting news! We are launching a Science and Arabic Magazine, and our enthusiastic student editorial team is working hard to ensure timely publication. We believe these magazines will spark curiosity in our students and deepen their love for learning Arabic as a living subject. We look forward to sharing more details with you in Term 2!

Our FS Annual Concert is scheduled for Friday, 28th November; we believe that you have received all relevant information in this regard from the FS team.

We are pleased to invite you to the Sixth Form Parent Conferencing (PTM) scheduled for Saturday, November 22nd, in the Sixth Form building. We anticipate full participation from all parents to support our students and teachers in achieving their target scores for upcoming mocks and CIE exams.

Survey – Parent participation is required

As part of our ongoing commitment to supporting the holistic wellbeing of our students, we kindly request you to complete the **Wellbeing Survey for the 2025–2026 academic year**. Your insights are extremely valuable and help us better understand the needs of our students and strengthen the support we provide at school. The survey will take only a few minutes to complete, and we would be grateful if you could fill it in **today**.
